

The Trip To Majaica

- (1) Once I sailed across the oceans in my fishing boat.
Many days and nights passed by I was in travel mode.
- (2) One night on the big dark sea my ship got caught in storm.
My ship broke in a1000 pieces - water was not warm.
- (3) I swam for many hours suddenly I could see land.
I climbed up on the beach and then I felt Majaica's sand.
- (4) Crossed a lake I was surprised I saw a crocodile.
The crocodile he asked if he could join me for the ride.
- (5) Me and "Crokko" left the water and went to the woods.
A Parrot shouted very loud if follow us he could.
- (6) The three of us we crossed Majaica and found so many friends.
A frog, a lizard and a snail – even a lot of hens.
- (7) Now that I had seen Jamaica I wanted to go home.
All my friends would follow me and see something unknown.

- (8) How could all my friends and I go fast to Mingoville?
My ship was crashed and I could not afford the airplane bill.
- (9) It was our luck we met a whale and she was very kind.
Mingoville was not a problem for the whale to find.
- (10) We were placed inside her mouth and there was lots of room.
2 days later we were back oh yea! so very soon.
- (11) All my friends they saw my house and they can live with me.
Now my life is full of joy and animals I see.
