

The Bodysong

Walking around it's so nice
I'm walking slowly, I close my eyes

*Point at your nose
Point at your toes
Show us your hands
Have to dance*

Running around everywhere
I want to feel the wind in my hair

*Point at your nose
Point at your toes
Show us your hands
Have to dance*

Jumping around it's so good
I like to stamp with my one left foot

*Point at your nose
Point at your toes
Show us your hands
Have to dance*

Flying around in my school
Arms they are waving it is so cool

*Point at your nose
Point at your toes
Show us your hands
Have to dance*
